As part of our steadfast commitment to help build and sustain vibrant communities, we continually seek opportunities to sponsor events and organizations that enrich the cities and towns where we do business. And we believe one of our most important community outreach obligations is to the education of our young people. That's why we're so proud – every year – to sponsor Tribute to Teachers.

Tribute to Teachers is an annual awards program whereby RBC Bank honors local educators who display an unwavering commitment to excellence in the classroom and leadership in the community with valuable monetary resources to help them purchase materials and supplies that both enrich daily curriculum and create an environment that fires children's passion for learning and discovery.

Each school year, between December and March, RBC Bank encourages students, parents, and colleagues to submit nominations for a teacher they'd like to honor for their outstanding leadership. From those nominees, we select 35 educators whose actions and contributions display the very best in educational excellence and community involvement. And we reward them for all they do! Each winner receives a \$500 "Classroom Cash" award to purchase new learning materials for their classes. What's more, we honor one Grand Prize winner with a \$2,000 classroom shopping spree at Stone's Education Superstore in Raleigh, NC (travel included).

The next Tribute to Teachers nomination period begins in December, 2008.
